

Enactus SGGSCC was established in 2012 and has been working ever since to improve the world through entrepreneurial action. With a team of 60+members, the society has successfully impacted _ lives through its _ sustainable projects to date.

Enactus SGGSCC has undertaken several projects to tackle social and environmental challenges. Two of their primary projects are Project Amanat and Project Nivaran.

Project Amanat aims to curb the growing waste crisis by incentivising ethical waste disposal supplemented with additional measures to prevent waste generation altogether. It promotes a zero-waste lifestyle through the creation of a circular economy model while uplifting three different communities.

Project Nivaran is aimed at curbing the ecological impact caused by water hyacinth by efficiently extracting and repurposing the plant into useful by-products, thereby harnessing its considerable utility. The project is a zero-waste initiative that revives marine biodiversity and enhances water quality.

Enactus SGGSCC has won several awards and achievements for its projects. The club won the Enactus National Competition 2022, Enactus Race to Rethink Plastic 2022, and was a top 16 finalist in the Enactus World Cup. Additionally, Enactus SGGSCC won the Enactus 77 Second Film Festival. The club has also achieved several business plan competition awards, including 2nd position at Model Shark Tank, 2nd position at C.O.D.E, first position at a business plan competition by Enactus Shivaji, and second position at a business plan competition by St. Stephens College.
