Finessance

Quest-The Quizzing Society conducted an Intriguing quiz on Finance and Business in collaboration with the Finance and Investment Cell of SGGSCC on 15th September 2022 in the College Seminar Hall. It was an inter-collegiate quiz that saw broad participation, as over 40 teams were witnessed from all over Delhi NCR in a set of two or as lone wolves. Driving past 20 questions in the preliminary round, 8 teams could make it into the final battleground which was a mock stock.

Apart from these events the society also holds internal **Quizzing League sessions** for its members on a regular basis where the students also get a chance to frame questions and host quizzes. We also conducted a **Freshers Quiz** for the newly inducted students this year which saw solid participation. We plan to conduct such enthralling quizzes much more frequently and on a much larger scale and revolutionize the field of quizzing, taking it to a much wider audience.
