ABOUT THE COLLEGE

"Behold all human race as One"

Sri Guru Gobind Singh College of Commerce, founded in 1984, as a Commerce college in the University of Delhi, has emerged as a unique institution progressing towards unprecedented heights.

The college provides a blend of resources and environment for all, with the fact that national economic and commercial relations are becoming so closely interdependent that meaningful vital changes are being introduced with academic curriculum in the centers of higher learning.

With a student strength of 2200-2500, the college has been ranked amongst the top colleges of India and has been accredited with an 'A++' Grade by National Assessment and Accreditation Council (NAAC) in the year 2022.

ABOUT THE CLUB

*"To Live
is
to Help"*

The Rotaract Club of Sri Guru Gobind Singh College of Commerce is a 13-year-old, renowned institutional-based unit operating under the guidance of Rotary International.

Its stated purpose is to bring individuals together to provide humanitarian aid to the vulnerable sections of the society and serve as a forum for taking a stand for social issues.

Every tenure the Club dives deep into the ocean of social ills and brawls them by effectuating a diverse range of activities throughout the year, including free training opportunities for the under-served, annual blood donation camps, donation drives, and many more activities.

PRINCIPAL'S MESSAGE

Welcome to Sri Guru Gobind Singh College of Commerce. As an economist, I am proud to lead an institution specializing in business, commerce and economic studies and named after great tenth Sikh Guru. Our college started its corporate life with handful of students, limited faculty, little property, but a determined mission of imparting higher education and keeping cultural heritage intact. This bold vision has guided our college for the past two and a half decades and made it the leading center of discovery and learning that it is today. It is our collective efforts, however, that make this college such a vibrant place to learn, to work, and to explore.

My vision is to make this institution as the finest educational school in South Asia, wherein the entire college community is actively engaged in development of students. Our college values the development of personal leadership in each student. Challenged by outstanding faculty and a modern, value-centered curriculum, students are fully prepared to contribute to society and to be effective leaders of social change based on the ethical values and principles taught in the "Sri Guru Gobind Singh College of Commerce tradition."

We will strive to create a learning environment where our students are able to acquire knowledge and advanced skills in their specialized fields enabling them to fulfill their aspirations.

Dr. Jatinder Bir Singh

Principal, Sri Guru Gobind Singh College of Commerce

VISION OF THE CLUB

“Together, we see a world where people unite and take action to create lasting change – across the globe, in our communities, and ourselves.”

The Rotaract Club of Sri Guru Gobind Singh College of Commerce has always looked ahead to live for the betterment of the deprived and aid them in any way we can.

Our Club's strategic plan aims for a framework for the future, ensuring that we continue to be known as a respected, dynamic organization that advances communities in every sphere of action.

Our vision sought to become more welcoming to a greater section of communities that need us, expanding our associations and networks so that we can infer more service and help many in numbers.

We believe that it's our primary duty to serve the needy, less privileged and down-trodden beings. This is what we have been working for and will continue to work for in the future.

CONVENOR'S MESSAGE

The Rotaract Club of Sri Guru Gobind Singh College of Commerce, is a community of committed students who have pledged to make a positive impact on society. As the convenor of Rotaract Club, I am indeed impressed by the dedication and enthusiasm of the students towards the mission of serving the society, especially the most vulnerable and underprivileged sections.

Throughout the year, the team conducted wide range of activities such as blood donation camps; awareness drives on important social issues such as menstrual hygiene, dengue, cancer, abortion laws, environment protection; supporting old age homes and orphanages; educational activities in slum areas, self defence workshops to fulfil their mission.

The team always came up with creative ideas to make a difference whether it is collecting cigarette buds for sustainability or bringing pups on the campus to promote adoption/care for indie breed dogs. The sincere and enthusiastic efforts of the members have earned Rotaract SGGSCC a special recognition at the district level.

We should always remember that it is the small actions that have a big impact, and every effort counts towards making the world a better place. It was really a pleasure working with this team. So, let us continue to build on the success of our past projects and work together as a team to make a difference and find new ways to serve the community.

Best Wishes.

Dr Rekha Sharma
Convenor, RaC SGGSCC
