### Minutes of Meeting

**Date:** 09/04/25

**Agenda:** Research Methodology Workshop for Students

- The responses received from 3rd-year students regarding their intention to continue into the 4th year were analysed. It was found that approximately 50% of the students plan to continue.
- It was decided that a Research Methodology Workshop will be organized in the third week of April.
- Since the students will be studying the Research Methodology paper in the upcoming semester and are expected to begin their research work concurrently, the objective of the workshop will be to familiarize them with the research process and guide them in identifying a research problem, enabling them to begin their projects effectively.
- The workshop will be conducted over three days and will include the following sessions:
  - An introductory session on Research Methodology with a focus on the identification of a research problem.
  - An awareness session on DULS e-resources and the DU e-Library platform.
- It was also decided that a resource person from the DU Central Library should be invited to conduct the awareness session on the DULS e-resources and DU e-Library platform.
