MINUTES OF MEETING HELD ON Monday, 18 April, 2022

A meeting of Student Office Bearers was held in the conference room of the college. The agenda was to understand their concerns, feedback about infrastructure, teaching learning process and coverage of syllabus. One of the points to be discussed was orientation of students regarding the upcoming NAAC peerteam visit on 19 and 20 May, 2022. The Principal and IQAC Director informed the students about the visit and their role in the same.

A discussion was held on how to showcase our report of societies in last 6 years to the team on their visit. A list of activities was planned along with a cultural programme.

Students expressed their concern about air conditioning plant not functional during the period yet. Some of them had concerns about the timing of practice sessions of respective societies. One student from

B.B.E. complained about some computers not working in the B.B.E. lab. Students asked for a water cooler near Gurudwara sahib. Principal assured them of immediate action on the feedback received wherever possible. About 50 students interacted freely with Prof. Sangeeta and Principal during the session.
