WEBINAR

URJA- *The Commerce Department of SGGSCC* organized its second edition of webinar on **'Envisioning Opportunities & Managing Finances: The Road Ahead'** which was conducted on *12th July 2020* on Zoom and was also live streamed on YouTube where the experts from the field of finance addressed students and answered their queries.

The webinar comprised of three panellists: Mr. Vipin Kapooria, Vice President of Business

Finance at OYO, **Mr. Pankaj Dubey**, CEO at D'Spin Consulting and **Mr. Saurabh Jain,** Vice President of Finance at Mobikwik.

The session started with introduction of the college by the moderator, Ishika Bagla, which moved along with the introduction to topic given by HOD of Commerce Dr. Gurminder Kaur. Honorable Principal, Dr. Jatinder Bir Singh, shared his views and inspired the students while also highlighting the importance of the topic in lives of students. The discussion revolved around *the importance of Financial Planning* keeping in mind the increased unpredictability of future. The speakers

discussed about the necessity of managing personal finance at an early age to achieve future goals. Mr. Pankaj Dubey shared his childhood practices of managing funds which have helped him to work better in the corporate world. Mr. Saurabh explained how selfdiscipline and budget making are the keys to manage personal finances. Other topics discussed by Mr. Vipin were *the importance of investing, impact of Covid-19 on businesses & careers and the important skills required to excel in the field of finance*. The session was followed by a comprehensive Q&A round where students were able to clarify many of their doubts related to financial careers, better financial management and financial education. The webinar concluded with a vote of thanks and special announcement of the website for Urja-The Department Of Commerce, Sri Guru Gobind Singh College of Commerce.

The session was enlightening and an enriching experience for students. The amazing insights provided by the speakers also helped the students. The event attracted over 650 attendees from all over the world. Many students also watched the video according to their own

convenience, resulting in over 3000+ views on YouTube within a single day after the Live stream.
