DIGITAL LITERACY AND ONLINE SAFETY FOR EDUCATORS

31 March – 06 April 2024

Call for Registration & Participation

RAMANUJAN COLLEGE

Ramanujan College, a constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade “A++” by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay - Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

TEACHING LEARNING CENTRE RAMANUJAN COLLEGE

Teaching Learning Centre (TLC) is mandated by the Ministry of Education (MoE) to organise Faculty Development Programmes (FDPs), Faculty Orientation and Induction Programmes (FIPs), discipline specific and interdisciplinary Refresher Courses, conferences, workshops, through offline and online modes. These programmes are based on indepth subject knowledge, quantitative and qualitative research methodologies, and on an interdisciplinary approach as is envisaged in the National Education Policy (NEP), 2020.

The TLC, Ramanujan College has been set up with the aim of "Reaching the Unreached" teachers in terms of regional diversity and geographically remote areas of the country. It has successfully conducted more than hundred learner-centric programmes since October 2017 and trained over one lakh teachers across the country in various discipline specific and interdisciplinary programmes.

In the TLC Programmes distinguished and internationally acclaimed resource persons deliver lectures and conduct sessions on wide ranging disciplines/topics of relevance in the contemporary and ever evolving global scenario to benefit the teaching fraternity, corporates and researchers. The sessions are also uploaded for larger audiences on the official YouTube Channel of the College.

Ramanujan College is a pioneer in offering offline/online courses for faculty members of higher education institutions and research scholars through the customised Learning Management System (LMS), designed by the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own Cloud Infrastructure to host its servers for research and data analysis

SRI GURU GOBIND SINGH COLLEGE OF COMMERCE

Sri Guru Gobind Singh College of Commerce, founded in 1984, as the second commerce college of the University of Delhi, is a premier institute, specializing in commerce, economics, business studies and computer science. The college has been accredited “A++” by National Assessment and Accreditation Council, NAAC. The college has also been placed amongst the top 100 higher education institutions by the National Institute Ranking Framework (NIRF) of the Ministry for Human Resource Development. The college is recognized for its academic excellence and impart quality education accompanied with character development and cultural growth so as to prepare socially responsible citizens.

The college often play a significant role in organizing academic events by calling experts in various academic domains. College takes initiatives aimed at enhancing the skills and knowledge of educators and professionals in the field of research and development software tools. These programs typically focus on teaching participants about open-source tools, technologies, and best practices. College promotes cross platform relationships in order to promote collaborations for benefit of society globally.

CONCEPT NOTE

This Online Faculty Development Programme aims to equip educators with essential digital literacy skills and knowledge about online security to safely navigate the cyber landscape. The program will focus on raising awareness among participants about potential cyber threats and educating them on protective measures to mitigate risks effectively. Participants will be acquainted with various cyber threats, including data loss, phishing attacks, malware, and viruses, and will learn techniques for password management, secure data handling, data backup, and the importance of using updated antivirus software. Additionally, the program will introduce participants to cyber laws, cybercrime, and cyber ethics, empowering them to identify system vulnerabilities and adopt best practices for system security. Another key aspect of this programme is to educate participants about the impact of social media platforms and their susceptibility to cyber threats and crimes, enabling them to safeguard themselves and their students from potential risks.

THEMATICS

- **Concept of cyberspace**
- **Issues, challenges and, risks while operating in cyberspace**
- **Threats like viruses, malwares, phishing attacks and hacking**
- **Cyber hygiene and internet security**
- **Cyber hygiene as a best practice to secure system in cyberspace**
