Few important instructions for OBE

- Name each pdf with date of the exam, title of the paper and question number to avoid confusion.
- Every student **MUST DOWNLOAD** the question paper, **upload option on portal will not be activated** until you download the question paper.....
- In case you are not able to see the question paper, logout-login from the portal once.
- **DO NOT FORGET TO PRESS THE SUBMIT BUTTON** after uploading the answersheet, otherwise answersheets go in autosubmit and then the result is delayed.
