Reminder: Urgent Notice: Old SGGSCC Domain Email Account Deletion

Dear Alumni,

This is to inform you that the college had provided you with domain-based email accounts on Google Workspace. Google had announced to stop providing unlimited storage space for Google Workspace for Education Fundamentals (formerly known as G Suite for Education). The college has decided to **delete email accounts of former students due to storage space limitation. Accounts of all students who passed out in and before 2024 will be deleted. All such accounts and their associated services will be deleted on 20 September 2026. This is the FINAL reminder for the same.**

You are thereby requested to take backup of all your data associated with @sggsc.ac.in email account (such as Mails, Drive, Photos) before the said date.

To transfer your data to any other Gmail account, you may use the **Transfer your content** feature by Google: <https://myaccount.google.com/data-and-privacy>

In case you are not able to access the account and have forgotten the password, kindly mail at recovery@sggsc.ac.in mentioning the details of the email account along with the copy of your college ID Card and Marksheet.

Strictly note:

College reserves the right to discontinue the Google Workspace services provided to students at any time and will not be responsible for any loss or damage to your data under any circumstances.

Kindly treat this as urgent and comply with the notification by said deadline. After that, it will be presumed that you have downloaded your data from the account. No recovery of deleted data/accounts is possible.

Sincerely,

Prof. Kawal Gill
Principal (Officiating)
