Please rate the following areas of the College as per your opinion

 42% students rated extraordinary score on the infrastructure facilities of the college. . Over all, co-curricular activities needs to be enhanced by the college. The students seemed satisfied with teaching learning experience. As against the last year, the rating improved with respect to extra curricular actives to approx 36% students expressing it to be in very good category. The inndustry- academia exposure needs to be emphasised upon.

How would you rate your overall experience in the College?
238 responses

The overall experience of the college as rated, 40.3%% students rated the experience as outstanding, 37.4% rated as very good, whereas, 18.9% rated it as good. A very small percentage rated it as not satisfactory.

Alumni also shared their feedback to improve the experience for the new batches. Some of the prominent suggestions are as follows:

a. More practical subjects should be included in B.Sc. curriculum. Hands on experience of upcoming technologies in ML, AI will be very beneficial.
b. A more proactive approach towards the placement and bringing new and reputed companies on campus
c. industry-academic exposure should be emphasised
d. Play Room for games like table tennis and indoor games
e. Inclusion of working of softwares like R and STATA in the course content can really be helpful.
f. Canteen hygiene needs to be improved
