

ALUMNI Feedback Report

2022-23

The ALUMNI feedback form was circulated during the period 2022-23. It consisted of several questions regarding Alumni's basic details, to understand their perception about alumni networking and remembering their college experiences and taking suggestions, if any.

Students passed in the year 2019-20 and 1988-89 dominated the respondents list. Maximum were from commerce department followed by Computer science department.

Alumni Association in collaboration with college keeps on organizing various activities for alumni throughout the year. Approximately three-fourths of the responses acknowledged the efforts and were satisfied with the initiatives taken by college to keep their association strong with their alumnus. More than 50% of the alumni are connected with an Alumni whatsapp group where all the important information regarding college and various activities of Alumni are shared. But less than 30% of the Alumni are registered with the ALMA SHINE portal, which means more effort needs to be done by the college to encourage our alumni to register with it.

All of our alumni are very eager to contribute in one way or the other for the welfare of the college like helping the students in placements, internships, academic research, etc by taking guest lectures, knowledge partnerships and mentorship programme. The college has obtained an outstanding rating by majority of alumni in all aspects like infrastructure, teaching and learning experience, growth oppurtunities for students, etc. More than 90% of the alumni rated their overall experience in college as outstanding and very good.
