

Parents Feedback Form Analysis (2018-2019)

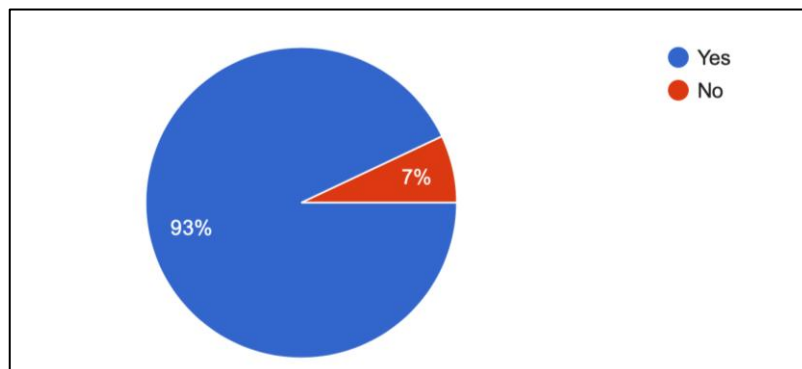

In the academic year 2018-2019, the college had circulated the feedback form amongst the parents of the all the students enrolled in the college (Undergraduate Courses, Post-Graduate Courses)

Course in which your ward is enrolled

93 percent of the parents believe that the college and its conducive environment has reformed the personality of their ward.

Do you believe that the college and its environment has transformed the personality of your ward?

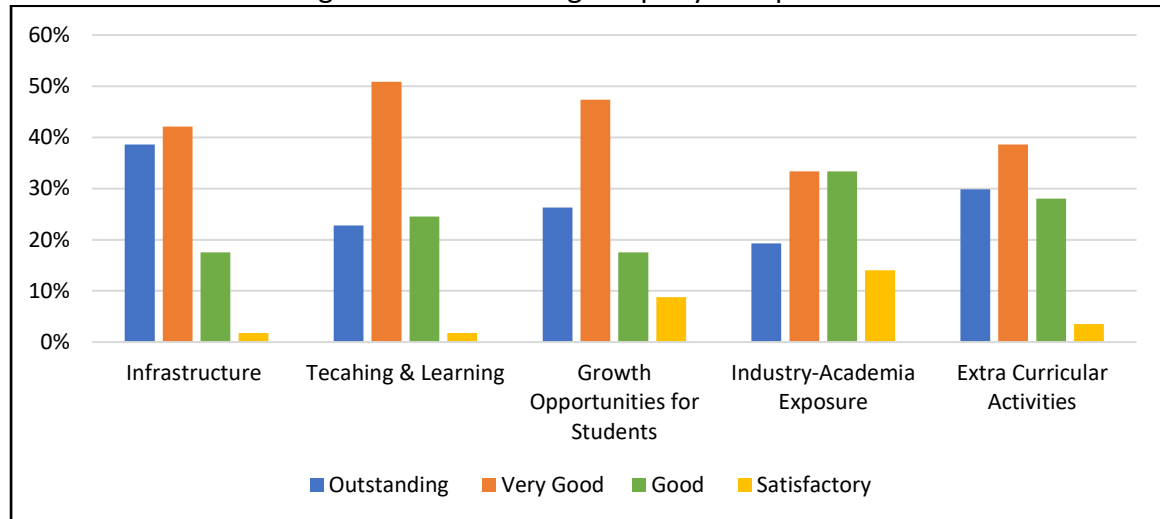

39 percent of the parents consider the college Infrastructure to be 'Outstanding' and nearly 42 percent consider it to be 'Very Good'. A little more than 50 percent of the responses rated the Teaching and Learning activities in the college to be 'Very Good' whereas 23 percent rated it to be 'Outstanding'. This overwhelmingly positive response essentially indicates that the college is excelling in its core activity of providing quality education to all of its students. Around 47 percent of the parents believe that the college provides with 'Very Good' Growth Opportunities for the students.

This resonates with the additional acknowledgements received as well wherein the parents have complimented the college on providing with a great platform for the overall development of their children. Furthermore, it correctly indicates that providing with continuous developmental opportunities for the students is a dynamic yet essential task

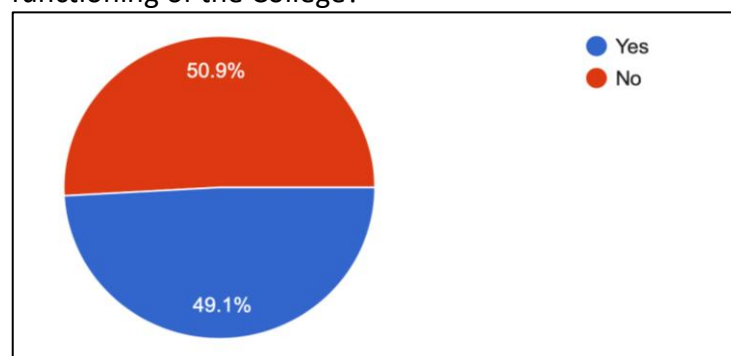

which the college needs to indulge into at a regular basis. One-third of the responses from parents indicated that they deem the Industry- Academic Exposure provided by the college to be 'Very Good'. A similar percentage of parents believe the Industry- Academia Exposure to be 'Good'. 30 percent of the parents view the Extra-Curricular Activities in the college to be 'Outstanding'. A few parents went ahead to provide suggestive measures such as making extra-curricular activities compulsory for all the students and to hold periodic meditation sessions as well.

To add on, one of the subjective feedbacks suggested that parents should be provided with regular updates about the development of the ward in terms of the attendance and marks obtained. This was seen to be in line with the response of almost four-fifth of the parents who opted to stay in touch in the college via the college app instead of any online forums or google groups.
