A Message from our Chairman

Sri Guru Gobind Singh College of Commerce, established in 1984 under the guidance of the Delhi Sikh Gurdwara Management Committee (DSGMC), embodies the vision of Sri Guru Gobind Singh Ji, who championed knowledge pursued with courage, humility, and righteousness. Rooted in the Sikh values of sewa (selfless service), shiksha (education), and sach (truth), the College fosters an environment where academic excellence is complemented by ethical conduct, social responsibility, and spiritual wisdom.

As Guru Granth Sahib Ji reminds us:

"Vidya Vichari Ta Parupkari"

(Contemplate and apply knowledge;
only then does it serve others – Ang 356)

Guided by these ideals, SGGSCC strives not only to educate minds but also to nurture compassionate, socially conscious leaders capable of contributing meaningfully to society.

In an increasingly dynamic world shaped by technology, innovation, and sustainability, the College remains committed to delivering future-ready education in commerce, economics, management, and allied disciplines. Our academic framework equips students with contemporary skills in data analytics, financial modeling, entrepreneurship, and emerging technologies, while ensuring that learning remains grounded in values and integrity.

The College continues to strengthen its academic ecosystem through modern infrastructure and enhanced learning facilities. Recent additions include a state-of-the-art laboratory equipped with smart screens to support experiential and skill-based learning. Digitally enabled classrooms, climate-controlled facilities, high-speed internet connectivity, modern laboratories, and a well-resourced library with access to digital databases, e-journals, and research repositories enrich the learning experience. Our dedicated faculty remain the cornerstone of the institution. Through research initiatives, faculty development programmes, academic collaborations, and participation in national and international forums, they foster a culture of innovation, intellectual growth, and academic excellence.

Campus life at SGGSCC is vibrant and enriching, with over forty academic, cultural, and professional societies providing opportunities for students to develop leadership skills and pursue diverse interests. These platforms encourage creativity, collaboration, and critical thinking, while outreach initiatives reinforce our commitment to community engagement and nation-building. I take immense pride in the achievements of our students across academics, sports, entrepreneurship, cultural activities, and social initiatives. Their accomplishments reflect the holistic education imparted by the College and its commitment to preparing young minds for future challenges and opportunities.

As Chairman of the Governing Body, I extend my sincere appreciation to our students, faculty, staff, alumni, and the entire SGGSCC community for their dedication and collective efforts. Together, we shall continue to uphold the legacy of excellence, inclusivity, and service that defines this institution. I extend my best wishes to all students and faculty as they pursue knowledge, character, and success with determination and humility.
