on
'Bibliometric Research Analysis'**

A workshop on 'Bibliometric Research Analysis' was conducted by IQAC in collaboration with Centre of Excellence, Guru Gobind Singh College of Commerce, University of Delhi on 9th September, 2022. The resource person for the session was Professor H K Dangi, Professor, Department of Commerce, University of Delhi.

Two software - Vos-Viewer and R-studio were taken up for running the analysis. The participants practiced hands-on the software and delved deeper into bibliometric analysis to explore and understand emerging trends in article and journal performance, collaboration patterns among researchers and find the intellectual structure of a specific domain in the extant literature. Prof Dangi also explained the process of Boolean writing for extracting papers from 'Scopus' and 'Web of Science'

A group of 20 faculty members attended the intellectually stimulating session. The participants were busy noting down important points, practicing the software and asking questions for more than a period of three hours.

The workshop was indeed a learning experience for all stakeholders.
