

Rajbhasha Implementation Workshop Report

A Rajbhasha Implementation Workshop was organized on 1 April 2026 at the Skill Development Center under the Rajbhasha initiative, in collaboration with Galiyara and IQAC. The workshop was based on the theme “E-Tools and AI Empowering Hindi.”

The session was conducted by Dr. Om Prakash, who discussed the use of digital tools and artificial intelligence to enhance the usability of Hindi in academic and administrative contexts. Key areas included practical e-tools, emerging AI applications, and their role in improving communication efficiency.

The workshop witnessed participation from 60+ students and faculty members, reflecting strong engagement and interest in the subject. The session emphasized adapting Hindi to digital platforms to ensure wider accessibility and contemporary relevance.

The workshop promoted practical implementation, encouraged innovation, and strengthened Hindi as a modern medium of communication within the institution.
