

Infinity - The Technological Society, SGGSCC

Annual Report 2025-26

"Technology empowers us to innovate, collaborate, and transform ideas into meaningful impact." Infinity, the Technological Society of Sri Guru Gobind Singh College of Commerce, continues to be a dynamic platform for innovation and technical excellence. Through its initiatives, Infinity fosters creativity, strengthens digital proficiency, and equips students with the skills necessary to thrive in an increasingly technology-driven world. By organizing workshops, webinars, competitions, and interactive learning experiences, the society remains committed to nurturing talent and preparing students to confidently navigate the evolving digital landscape.

Recruitment:

The academic year 2025–26 commenced with Infinity's Recruitment Drive in August 2025. The process witnessed enthusiastic participation from students across all academic years, reflecting strong interest in technology-driven initiatives and creative domains. After a structured evaluation process that included application screening, task-based assessments, and personal interviews, 50+ dedicated and talented students were selected to join the society. The newly inducted members bring diverse skills in design, content creation, research, marketing, and technical development, forming the backbone of Infinity's projects and events for the year ahead.

Recruitment Results

Event 1: Canva Design Workshop (August 30, 2025)

Infinity organized a hands-on Canva Design Workshop aimed at enhancing students' digital creativity and visual communication skills. The session was conducted by **Mr. Harshdeep Singh, Certified Designer and US Taxation Associate at KPMG**, who provided practical insights into modern design tools and branding strategies.

The workshop combined expert guidance with interactive learning:

- **Design Fundamentals:** Understanding layout, typography, color combinations, and visual hierarchy.
- **Creative Applications:** Designing posters, presentations, resumes, and social media creatives.
- **Branding Essentials:** Building personal and professional brand identity through visuals.
- **Live Demonstration:** Real-time designing with practical tips and industry examples.

With **200+ participants**, the event witnessed remarkable enthusiasm and active engagement from students across various courses. The workshop equipped participants with essential design skills relevant for internships, entrepreneurship, and corporate environments.

Event 2: Cyber-Security Awareness (October 8, 2025)

Infinity organized a one-day Cyber-Security Awareness session titled “Basics + AI Integration” to promote digital safety and awareness among students. The event aimed to highlight the growing importance of cybersecurity in today's technology-driven world and its integration with emerging technologies like Artificial Intelligence.

The session combined expert insights with practical understanding:

- **Cybersecurity Fundamentals:** Introduction to cyber threats, phishing attacks, malware, and data protection strategies.
- **AI Integration in Security:** Understanding how Artificial Intelligence enhances modern cybersecurity systems.
- **Real-World Case Studies:** Discussion on recent cyber incidents and preventive measures.
- **Interactive Q&A Session:** Addressing students' queries regarding digital safety and career opportunities in cybersecurity.

The session was conducted by **Mr. Harsh Srivastava, Sr Manager – EC-Council | Academia** and **Mr. Vikram Kumar Jha, Regional Manager – North & West India, EC-Council**, who shared valuable industry knowledge and practical insights. The event successfully created awareness about responsible digital behavior and emphasized the importance of cybersecurity in academic and professional environments.

डिजिटल सुरक्षा की दिशा में कदम : श्री गुरु गोबिंद सिंह कॉलेज ऑफ कॉमर्स में मनाया गया साइबर सुरक्षा जागरूकता महीना

एनसीआर समाचार

दिल्ली: इन्फिनिटी - द टेक सोसाइटी ऑफ श्री गुरु गोबिंद सिंह कॉलेज ऑफ कॉमर्स ने साइबर सुरक्षा जागरूकता महीने के उल्लेख में एक विशेष दिवस का आयोजन किया। इस पहल का उद्देश्य विद्यार्थियों में साइबर सुरक्षा के प्रति जागरूकता बढ़ाना और उन्हें डिजिटल युग में सुरक्षित रहने के उपायों से परिचित कराना था। इस अवसर पर एक विशेष कार्यक्रम का आयोजन किया गया, जिसका संचालन श्री हर्ष श्रीवास्तव, सीनियर मैनेजर - अकेडमिया (EC-Council), एवं श्री विक्रम कुमार झा, रीजनल मैनेजर - नॉर्थ एवं वेस्ट इंडिया (EC-Council) द्वारा किया गया। दोनों विशेषज्ञों ने Artificial Intelligence

Integration in Cybersecurity विषय पर विद्यार्थियों को विस्तृत जानकारी दी और डिजिटल सुरक्षा के महत्व पर प्रकाश डाला। कार्यक्रम में 100 से अधिक विद्यार्थियों ने भाग लिया और साइबर सुरक्षा से जुड़ी विभिन्न अवधारणाओं पर चर्चा की। सत्र के अंत में एक इंटरैक्टिव प्रश्नोत्तर सत्र (Q&A Session) तथा विद्यार्थियों को साइबर सुरक्षा समझ को परखने हेतु एक क्विज

प्रतियोगिता भी आयोजित की गई, जिसमें छात्रों ने बड़े उत्साह से भाग लिया। इस अवसर पर विद्यार्थियों ने अपनी रचनात्मकता का प्रदर्शन करते हुए एक Cyber Wall भी तैयार की, जिसमें साइबर सुरक्षा से जुड़े विचार और संदेश प्रदर्शित किए गए। कॉलेज के प्राचार्य प्रो. (डॉ.) जतिंदरबीर सिंह ने इस आयोजन की सफलता में महत्वपूर्ण भूमिका

निभाई और विद्यार्थियों को डिजिटल सुरक्षा के प्रति सजग रहने के लिए प्रेरित किया। इन्फिनिटी की संयोजक डॉ. सुप्रोत कौर साही ने Cybersecurity & अकविपय पर अपने विचार साझा करते हुए विद्यार्थियों को साइबर सुरक्षा क्षेत्र में नई संभावनाओं और तकनीकी विकास के प्रति जागरूक किया। यह-संयोजक डॉ. वंदना कालरा ने कार्यक्रम की सफलता के लिए सभी अतिथियों, प्रतिभागियों और टीम सदस्यों का धन्यवाद ज्ञापित किया। इस आयोजन में विद्यार्थियों की सक्रिय भागीदारी ने यह दर्शाया कि युवा पीढ़ी साइबर सुरक्षा के प्रति सजग और जिम्मेदार डिजिटल नागरिक बनने की दिशा में अग्रसर है।

Event 3: LinkedIn Optimization Webinar (February 6, 2026)

Infinity organized a professional development-focused LinkedIn Optimization Webinar to guide students in building a strong and impactful digital presence. The session aimed to help students understand the importance of personal branding and strategic networking in today's competitive professional landscape.

The webinar combined expert insights with actionable strategies:

- **Profile Optimization:** Crafting compelling headlines, summaries, and effectively showcasing skills and achievements.
- **Personal Branding:** Building a professional identity that reflects strengths, experiences, and career goals.
- **Networking Strategies:** Techniques for meaningful connections and professional outreach.
- **Career Advancement:** Leveraging LinkedIn for internships, placements, and industry opportunities.

The session was conducted by **Mr. Anmol Upadhyay, Associate Director at TIME Education, MBA – IIM Trichy**, who shared valuable insights from his corporate and entrepreneurial journey. The webinar witnessed participation from 150+ students, reflecting strong interest in career development and professional networking. The interactive discussion further encouraged students to enhance their professional visibility and strategically utilize LinkedIn as a career-building platform.

Event 4: Community Outreach Drive (February 9, 2026)

Infinity, in collaboration with Antahkaran Foundation, organized a Community Outreach Drive aimed at spreading knowledge and promoting digital awareness beyond the college campus. The initiative reflected Infinity's commitment to social responsibility and community engagement.

The drive focused on interactive learning and knowledge sharing:

- **Digital Awareness Session:** Introduction to basic computer knowledge and safe internet practices.
- **Cyber Safety Guidance:** Educating students about online security and responsible digital behavior.
- **Interactive Classroom Engagement:** Fun learning activities to encourage participation and curiosity.
- **Motivational Interaction:** Inspiring school students to explore opportunities in technology and education.

The event was conducted at Govt Co-Ed Sr Sec School, Dwarka, Sector 13, where members of Infinity actively engaged with school students. The outreach initiative successfully promoted the idea that knowledge and technology should be accessible to all, reinforcing Infinity's vision of meaningful impact beyond academics.

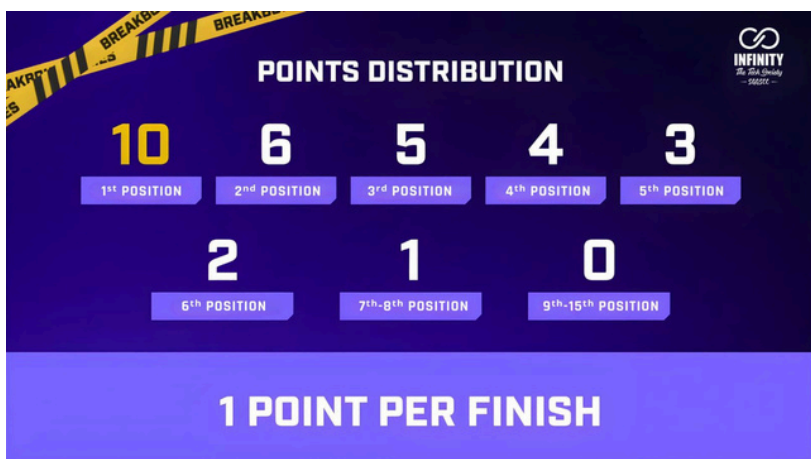

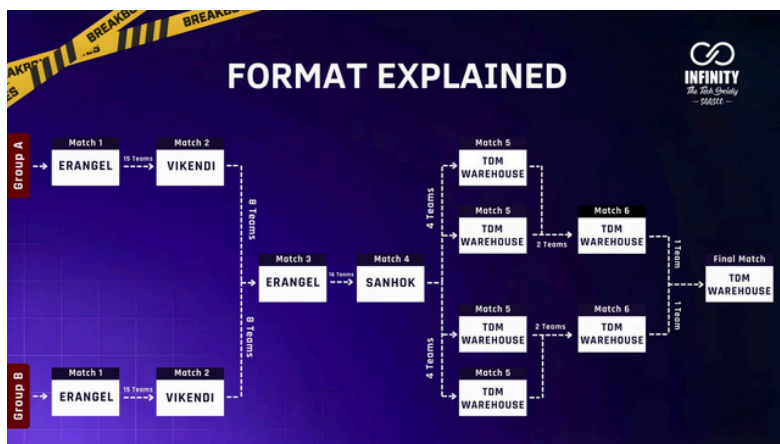

Event 5: BGMI Showdown 2.0 (March 20, 2026)

Infinity – The Tech Society, SGGSCC successfully organized BGMI Showdown 2.0, an exhilarating esports event that brought together 30 highly competitive teams for a thrilling display of skill, strategy, and teamwork. The event highlighted the growing enthusiasm for esports and provided a dynamic platform for gamers to showcase their abilities.

The tournament was conducted in a well-structured and engaging manner:

- **Inaugural Session:** The event commenced with a brief opening session where important guidelines and updates were shared, ensuring clarity and smooth coordination among all participating teams.
- **Group Stage Matches:** The initial rounds were held on Erangel and Vikendi, where teams competed strategically to secure their position in the tournament.
- **Advanced Rounds:** Top-performing teams progressed to the next stage, competing on Erangel and Sanhok, intensifying the competition.
- **Knockout & Finals:** The tournament advanced to fast-paced knockout rounds in TDM Warehouse, culminating in a high-stakes final showdown to determine the champion.

Throughout the event, participants demonstrated exceptional gameplay, clutch performances, and remarkable teamwork. The matches were filled with strategic decision-making and high-energy moments, making the tournament highly engaging for both players and spectators.

Outlook

Infinity remains committed to fostering a culture where technology, creativity, and social responsibility intersect. Through skill-oriented workshops, professional development initiatives, and community outreach programs, the society continues to create meaningful opportunities for students to grow beyond the classroom.

As the digital landscape evolves, Infinity aims to introduce more advanced technical sessions, industry collaborations, and interactive learning platforms that equip students with future-ready competencies. With a dedicated team and an innovation-driven vision, the society looks forward to expanding its impact and continuing its journey of excellence, empowerment, and technological advancement.
