

## **Quest- The Quizzing Society**

### **Report 2024– 2025**

In the past tenure Quest has organized 2 quiz fests- Quizessential'24 and Connaissance'25 on 27th November, 2024 and 16<sup>th</sup> April, 2025 respectively. Along with our inter-college quiz fests, we conducted a reimagination of the standard quizzing format with our intra-college event, Conquest, where participants had to conquer real-world puzzles Aswell as witty questions. We have also conducted quizzing events like the Fresher's Quiz that introduced the new-comers of Delhi University to the concept of quizzing, in addition we also held the Fiscal Frontier Quiz in collaboration with NSS on 21<sup>st</sup> August, and other quizzes in collaboration with ASBEMS and Infinity alongside an intra-college quiz to promote the quizzing culture in the college.

The commencing event of the year, "Quizzessential" gives newcomers a chance to explore and learn about quizzing in a pragmatic environment, attracting participants from eminent institutions across the nation, celebrated for engaging students from all backgrounds and creating events based around the interests of everyone. The commemoration of quizzing and the unique and witful formats of the events' quizzes has made "Quizzessential" a renound cornerstone of university level quizzing culture. The event was made successful due to esteemed quizmasters like Factaco and Aryapriya Ganguly

The society is widely acclaimed for its annual flagship quiz fest, "Connaissance," a grand event that attracts enthusiastic participation from prestigious colleges across the continent. Known for its challenging and stimulating quiz formats, the fest has cemented its reputation as a celebration of wit and wisdom. Quest continues to strive towards its mission of promoting intellectual curiosity, collaborative learning, and a spirit of healthy competition. For this session of the event, we were given the opportunity to collaborate with seasoned Quizmaster Major Chandrakant Nair

Covering a diverse set of genres like Business, Technology, MELA, Sports and India, our quiz fests saw 1200+ registrations with participants ranging from college students to renowned quizmasters. Not only did the students get a chance to showcase their talent, but we also helped create and foster an environment that encouraged growth, learning and leadership

among the members. **Our members brought laurels to the college by winning quizzing competitions at prestigious institutions like IIT Delhi and St Stephens College**

Quest has taken active steps to upskill the students in designing, research, public relations and public speaking domains to achieve holistic development. We also conduct weekly quizzing league sessions to promote quizzing, keep students updated on latest happenings, enhance their quizzing abilities and provide them an opportunity to explore different domains. Team bonding sessions were also a major part of the Quest calendar of 2024-2025. Collective participation in Inter College quiz competitions was a major activity. Informative Social Media content has been a major factor in upbringing Quest
