Ivogue - The Fashion Society of Sri Guru Gobind Singh College of Commerce is a community of models, designers, makeup artists and stylists that work together to attest against social evils like Censorship, Inequality, etc through our annual production and performances. Ivogue has established its name through the themes that it represents every year. Each annual production comes forth with a raising issue. The theme for this year is 'The Digital Divide, which aims to focus on the dark side of Metaverse. While the new digital world makes us step into the revolutionary future, it disconnects us from the real world, taking over our lives in every possible way.

In 2022, Ivogue organized a Bollywood Day event to celebrate the rich culture and heritage of Indian cinema. The highlight of the event was a fashion show that showcased the Bollywood inspired fashion trends. In conclusion, the Bollywood Day event organized by the Fashion Society was a huge success and was attended by a large number of students.
